

SERMON SERIES Dec 08 - Mar 09

Mornings

Our new series of morning sermons starts with Mary & Joseph over two weeks in the run up to Christmas and then picks up the idea of good intentions (prayer and the Bible) at the turn of the year. It then moves on to an exploration of the character of Peter and ends with a look at some characters that appear in Holy Week but don't often get mentioned.

Look out for February 22nd in particular when we consider how we might respond to the JW's when they call.

Evenings

Our evening sermons start with the Old Testament promises of a saviour, then in the New Year explore some of the titles of God, used in the Christmas prophecies. There will then be five weeks exploring suffering through the eyes of Job. Finally we begin to move towards Easter with two sermons on the suffering and rejection of Jesus.
