

**SERMON SERIES**  
**January - March 2010**

**Who is this Jesus?**

Our Christian faith is based on Jesus: on our knowledge and understanding of Jesus and our faith in Him. So in our series of morning sermons this term, we will explore the person of Jesus as reported in the gospel of Mark.

Probably written first of all the gospel accounts, Mark's story is fast moving and dynamic. We will work through the first four chapters complete and then a jump to chapter 11 on Palm Sunday for Mark's account of the triumphal entry into Jerusalem.

**Well known characters and stories**

In the evenings for the first half of the term we will explore some well known 'characters' - starting with the wise men. What does the Bible teach us as we read of these much loved stories and characters.

**Jesus' farewell address**

As Good Friday and Easter approach we turn to John's Gospel in the evenings and reflect on Jesus' farewell words and prayers for his disciples.
