BIBLE READING NOTES

If you want to read the Bible and don't know where to start or if you want a deeper understanding about what God is saying to you and to His church today why not try using Bible Reading Notes. Come and talk to Jenny and John in the Bookstall and we will find something that will suit you as there are publications for all ages. We will be ordering the January 2018 editions soon and if you pay for the year we will deduct 5% from the total.

HAVE YOU NOTICED..... that our grounds, car park areas, oak church doors, some inside rooms, the rear garden at the back of the large hall - have all been worked on and improved over recent weeks. We currently have a Community Payback Team who have been coming to us on Thursdays for the last 12 weeks. These men and women have been given a Community Service sentence and must work on local community projects to ‘payback’ for the crimes they have committed. We get the benefit of significant ‘free’ labour and they get to fulfil part of their commitment to local communities. Their work has been excellent! Everyone who has seen the group working have commented how good they have been. We hope that seeing what a difference they have been able to make and also the warmth of welcome from various people on site when they are around, might impact on them also.
