Alpha is starting at St John's at 7.30pm on Wednesday 1st February 2017.

We believe that everyone should have the chance to explore the Christian faith, ask questions and share their point of view.

What is Alpha?

Alpha is a series of interactive sessions that freely explore the basics of the Christian faith.

Who's it for?

Alpha is for anyone who's curious. The talks are designed to encourage conversation and explore the basics of the Christian faith in a friendly, open and informal environment. No question is out of bounds and you are free to discuss as much or as little as you like.

How does it work?

Alpha is eleven sessions with a day away in the middle. Each session includes food, a short talk and discussion at the end where you can share your thoughts. At any point, if you think Alpha isn't for you, that's not a problem. There's no pressure, no follow up.

How much is it?

There's no charge to do Alpha, though we do ask for a contribution towards food.

For further information please speak to Liz or Scott
or contact the Church office.

Don't forget to pass on information about the Alpha Course and also be praying for those people who might be thinking about coming along.
